

# 2021 Golf Season: Summer Clinic Series

Combined Beginner & Intermediate Levels - COED  
Class Size ~6:1 Student / Instructor Ratio

Group clinics are a great way to learn to play golf, keep up with your game and have fun too. We have designed our clinic series for the beginner golfer as well as the intermediate player who wants to improve their swing mechanics this golf season. By working on the most important parts of the swing, it can improve how well you contact the ball and how consistent you are when you play. Let us show you how... you will hit the ball better, farther, and more consistently and ultimately have more fun when you get out on the course!

## Adult, Junior & Little Linkster Summer Clinic Schedules

- The 2021 Summer 1 & Summer 2 Clinic Series will each run for 6 consecutive weeks beginning June 12<sup>th</sup>.
- Students should enroll in the program time that best suits their schedule for the full series or call to create a group of your own with 4 or more students at a time that works for you.
- Summer 1 & 2 Series clinics are 1 hour in length and content will be taught in succession.
