Youth Spring League

**For the Beginner/ Intermediate player
Boys & girls ages 7-13**

The purpose of the EMGA youth league is to educate each player to handle themselves in a proper manner to play golf without parental supervision, ultimately leading to tournament play. Our goal is to provide a high level of instruction in a very fun and competitive atmosphere. This is a great first step for children who have the desire to compete in golf. This program will ultimately prepare them for Philadelphia Section Junior events or the U.S. Kids Junior Tour. The program will consist of 6 sessions of instruction/skills competition and conclude with a 9 hole championship tournament! Teams will be formed in foursomes. Team names will be assigned such as the Deamon Deacons, Tar Heels, Wildcats, etc. During each class there will be a skills competition to award the "Lucky Shot of The Week" to the best male/ female performer. Prizes will also be given out at the League Outing for achievements such as *Most Improved* and *Best Attitude*.

The schedule for the seven weeks will be as follows:

- Week (1) basic full swing instruction followed by putting instruction**
- Week (2) chipping instruction followed by team skills competition on course**
- Week (3) pitching instruction followed by team skills competition on course**
- Week (4) punch shots instruction followed by team skills competition on course**
- Week (5) full swing instruction followed by team skills competition on course**
